

Safety Card

Applicable at all
HeidelbergMaterial Group sites in
Germany

Your safety matters to us!

This safety card serves as a reminder of the basic rules to protect your health and safety while at our sites.

In the event of an emergency,
call the emergency services at
(0)112.

Report:

WHERE is the emergency?

WAIT for questions, e.g.:

- **WHAT** has happened?
- **HOW MANY** are injured?
- **WHICH** injuries?

Provide first aid and get to
safety:

- Secure accident/ fire scene.
- Provide first aid for the injured.
- Take helpless people with you.
- Follow the escape route.
- Gather at the nearest assembly point.
- Follow instructions.

PPE (Personal Protective Equipment)

Outside the PPE-free zones, **this is the minimum of PPE that must be worn:**

• **Safety helmet**

• **Safety glasses**

• **Closed high-visibility
safety vest**

• **Safety half-
boots S3**

• **Long trousers**

Body-covering clothes must be worn (at least T-shirt and long trousers). Depending on the risk assessment, further PPE may be required.

Sign in when entering
the site and sign out
before leaving the
site.
